MEMORANDUM FOR: Deputy Director of Personnel

SUBJECT : [] Regulations Concerned with Internal Controls

1. Attached are copies of Regulations in the [] series which relate to internal control authorities of the Director of Personnel. In the context of our understanding of "internal controls" we have not included regulations in the BSD area, Awards or Suggestions, nor for CSC or CIARDS retirement programs.

2. Of the Regulations which were sent, we feel the following are of marginal concern, but included them to insure coverage if our understanding was not broad enough:

- []
- Overseas Panel Review
 - Promotion
 - Supergrade Management
 - Management of Special Scientific Personnel
 - Pay and Allowances for Missing Persons
 - Consultants
 - Procurement Contracts for Services of Individuals
